

Dear Manager

I welcome the “Country of Origin” labelling of fish, fruit and vegetables.

To make it easier to find other Australian produce or items “Made in /Product of Australia” I would like to see clearly-signed

**ALL-AUSTRALIAN AISLES** or an  
**AUSTRALIAN SECTION** in AISLES

eg canned fruit produced in Australia.

Thanking you in anticipation

## WHAT YOU CAN DO

- Take this flier to your supermarket and ask them to create an 'All Australian Aisle'; OR display Australian goods together within sections, eg canned foods.
- Read labels carefully keeping in mind definitions on the right;
- Lobby politicians to have better legislation;
- Purchase a copy of the *ausbuy guide: Your guide to buying Australian made & owned*;
- Check out the links to food labelling on the Queensland Democrats website: [www.qld.democrats.org.au](http://www.qld.democrats.org.au)

*Brought to you as a community service  
by the Petrie Branch of the Queensland Democrats.*
